### TRANSMITTAL LETTER FOR BOARD MEETING OF APRIL 6, 2017

#### COMMITTEE ON REAL ESTATE

Mr. David St. Pierre, Executive Director

Authority to pay final just compensation in the amount of \$162,800.00 to acquire by “quick-take” the fee simple title to real estate commonly known as 8620 S. Natchez Avenue in Burbank, IL from David Kent and Christine Kent, in the eminent domain lawsuit entitled *The Metropolitan Water Reclamation District of Greater Chicago v. David Kent and Christine Kent, et al.*, Case No. 16L050525 in the Circuit Court of Cook County, and to pay relocation costs in an amount not to exceed \$38,600.00. Account 401-50000-656010, Capital Improvements Bond Fund

Dear Sir:

In connection with the execution of the vertical and horizontal expansion of the Melvina Ditch Reservoir (“Reservoir”) located north of 87th Street and west of Natchez Avenue in Burbank, IL (Contract 14-263-3F) (“Project”), the District must acquire fee simple title to the real property commonly known as 8620 S. Natchez Avenue in Burbank, IL (“Property”) owned by David and Christine Kent.

As the parties were unable to reach an agreement as to the purchase price of the Property, the District filed an eminent domain lawsuit entitled *The Metropolitan Water Reclamation District of Greater Chicago v. David Kent and Christine Kent, et al.*, Case No. 16L050525, in the Circuit Court of Cook County on August 9, 2016. In addition to the complaint for condemnation, the District subsequently filed a “quick-take” motion to allow for the immediate vesting of title of the subject Property with the District, as authorized by the Board’s Resolution on

September 1, 2016.

Since the filing of the quick-take motion, the District and the homeowners have reached a negotiated settlement for final just compensation to acquire the property in the amount of \$162,800.00. It is the opinion of the General Counsel and Special Counsel, Neal & Leroy, that this amount for final just compensation is within the range of value for the subject Property based on the fair market value appraisal obtained by the District. The Property comprises 0.24 acres and is improved with an approximately 1,235 square foot, single family residence. The District's appraiser estimates the fair market value of the Property, as of the date of filing the lawsuit on August 9, 2016, to be \$148,000.00.

The District's relocation consultant Urban Relocation Services, Inc. has determined that the homeowners are eligible for relocation costs of approximately \$38,600.00. These relocation costs are required to be paid by the District under the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act. This total amount includes the replacement housing payment, reasonable moving expenses and closing costs. The amount is subject to adjustment based upon the actual costs incurred.

It is requested that the Executive Director recommend to the Board of Commissioners that it authorize and approve the payment of \$162,800.00 as final just compensation for the taking and immediate vesting of title in the District of the real property commonly known as 8620 S. Natchez Avenue in Burbank, IL in the eminent domain lawsuit entitled *The Metropolitan Water Reclamation District of Greater Chicago v. David Kent and Christine Kent, et al.*, Case No. 16L050525, in the Circuit Court of Cook County, Illinois.

It is further requested that the Chairman of the Committee on Finance and the Clerk be authorized and directed to execute a check in the amount of \$162,800.00, payable to the Treasurer of Cook County, for the final just compensation described herein.

It is further requested that the Executive Director be authorized to make intermittent payments to the homeowners, in an amount not to exceed \$38,600.00, for eligible costs in connection with relocation, as provided for in the Uniform Relocation Assistance and Real Property Acquisition Policies Act.

Requested, Ronald M. Hill, General Counsel and Catherine A. O'Connor, Director of Engineering;

Recommended, David St. Pierre, Executive Director

Respectfully Submitted, Mariyana T. Spyropoulos, Chairman Committee on Real Estate Development
