TRANSMITTAL LETTER FOR BOARD MEETING OF NOVEMBER 19, 2015

COMMITTEE ON ENGINEERING

Mr. David St. Pierre, Executive Director

Authority to accept and execute Cook County Department of Transportation and Highways Permit 14-09-4949-C for Contract 11-239-3S, Calumet Intercepting Sewer 19F Rehabilitation, CSA

Dear Sir:

In connection with the Calumet Intercepting Sewer 19F Rehabilitation project, it was necessary to obtain a traffic permit from the Cook County Department of Transportation and Highways (CCDTH). The permit authorizes the District to establish traffic control within the right-of-way under CCDTH's jurisdiction.

It is requested that the Executive Director recommend to the Board of Commissioners that it accept and approve CCDTH Permit 14-09-4949-C in connection with the captioned project and that the Executive Director recommend to the Board of Commissioners that the Chairman of the Committee on Finance and the Clerk be authorized and directed to execute said CCDTH Permit on behalf of the District after it is approved by the Director of Engineering as to technical matters and by the General Counsel as to form and legality.

Requested, Catherine A. O'Connor, Director of Engineering, WSS:JPM

Recommended, David St. Pierre, Executive Director

Respectfully Submitted, Frank Avila, Chairman Committee on Engineering

Disposition of this agenda item will be documented in the official Regular Board Meeting Minutes of the Board of Commissioners for November 19, 2015
