TRANSMITTAL LETTER FOR BOARD MEETING OF DECEMBER 20, 2018

COMMITTEE ON REAL ESTATE

Mr. Brian A. Perkovich, Executive Director

Authority to issue a three (3) month permit extension to the City of Chicago’s Department of Aviation for construction staging and capping a portion of a City sanitary sewer and two appurtenant manholes on and beneath two (2) approximate 50’ x 25’ areas located at the southeast corner of the Majewski Reservoir site and for constructing a temporary approximate 15’ x 30’ gravel access driveway. Consideration shall be a nominal fee of \$10.00

Dear Sir:

On July 12, 2018, the Board of Commissioners authorized the issuance of a 60-day permit to the City of Chicago’s Department of Aviation (“CDA”) for construction staging and capping a portion of a City sanitary sewer and two appurtenant manholes on and beneath two (2) approximate 50’ x 25’ areas located at the southeast corner of the Majewski Reservoir site and for constructing a temporary approximate 15’ x 30’ gravel access driveway. The permit was issued to allow CDA to relocate a City sanitary sewer servicing the North Airfield at O’Hare International Airport in conjunction with the Illinois State Toll Highway Authority’s Elgin-O’Hare Western Access Project. The permit, issued for a \$10.00 nominal fee, commenced November 1, 2018, and expires December 30, 2018.

CDA now requests a three (3) month extension to the permit to complete its capping operations. The District’s technical departments have reviewed CDA’s request and have no objections thereto. A nominal fee of \$10.00 is recommended as is customary for governmental entities using District property for a public purpose.

It is requested that the Executive Director recommend to the Board of Commissioners that it authorize and approve the issuance a three (3) month permit extension to the City of Chicago's Department of Aviation for construction staging and capping a portion of a City sanitary sewer and two appurtenant manholes on and beneath two (2) approximate 50' x 25' areas located at the southeast corner of the Majewski Reservoir site and for constructing a temporary approximate 15' x 30' gravel access driveway. Consideration shall be a nominal fee of \$10.00.

It is also requested that the Executive Director recommend to the Board of Commissioners that it authorize and direct the Chairman of the Committee on Finance and the Clerk to execute the permit extension agreement on behalf of the District after it is approved by the General Counsel as to form and legality.

Requested, Susan T. Morakalis, General Counsel, STM:CMM:JAW:vp

Recommended, Brian A. Perkovich, Executive Director

Respectfully Submitted, Kari K. Steele, Vice-Chairman Committee on Real Estate Development
