TRANSMITTAL LETTER FOR THE BOARD MEETING OF SEPTEMBER 4, 2014

COMMITTEE ON FINANCE

Mr. David St. Pierre, Executive Director

Authority to add Project 14-606-21, Replacement of Drain Tiles at the Calumet Union Drainage Ditch Reservoir, to the Construction Fund, estimated cost of the project is \$550,000.00.

Dear Sir:

Authority is requested to add Project 14-606-21, Replacement of Drain Tiles at the Calumet Union Drainage Ditch Reservoir, to the Construction Fund at the request of the Maintenance and Operations Department.

The purpose of the project is to remediate sink holes, eliminate ponding and restore the proper drainage of Pond No. 4, as well as reduce sedimentation of the wet well at the Calumet Union Drainage Ditch Reservoir. An inspection indicates that the sink holes, ponding conditions and sedimentation are due to multiple collapsed segments of the perimeter drain tiles in Pond No. 4.

The project consists of complete replacement of the perimeter drain tiles in Pond No. 4 at the Calumet Union Drainage Ditch Reservoir. The estimated cost of the project is \$550,000.00.

Requested, Manju Prakash Sharma, Director of Maintenance and Operations, SES:SO'C:MAG:CM:JK
Respectfully Submitted, Cynthia Santos, Chairman Committee on Finance
Disposition of this agenda item will be documented in the official Regular Board Meeting Minutes of the Board of Commissioners for September 4, 2014.
