TRANSMITTAL LETTER FOR BOARD MEETING OF SEPTEMBER 3, 2015

COMMITTEE ON Procurement

Mr. David St. Pierre, Executive Director

Issue purchase order to SAP Public Services, Inc. for annual SAP Software Maintenance, in an amount not to exceed \$488,039.33, Account 101-27000-612820, Requisition 1401119

Dear Sir:

Authorization is requested to issue a purchase order to SAP Public Services, Inc. for SAP Software Annual Maintenance. This purchase order will expire on June 30, 2016.

SAP Public Services, Inc. is the sole source provider of maintenance for the suite of SAP software products. As the licensor of all SAP products, SAP is directly responsible for providing proprietary patches, bug fixes, software upgrades, security updates, and technical support of the product licenses. The District currently uses the SAP enterprise system for financials, procurement, and human resources, the SAP Portal for the District's website, the SAP Public Budget Formulation and Business Warehouse for preparing and administering the budget, and a number of other smaller SAP solutions. Inasmuch as SAP Public Services, Inc. is the only source of supply for the services required, said purchase order may be issued without competitive bidding pursuant to Section 11.4 of the Purchasing Act.

SAP Public Services, Inc. is registered and in good standing with the State of Illinois.

The Multi-Project Labor Agreement is not applicable due to the specialized nature of the services required.

In view of the foregoing it is recommended that the Director of Procurement and Materials Management be authorized to issue a purchase order to SAP Public Services, Inc. in an amount not to exceed \$488,039.33.

Funds are available in Account 101-27000-612820.

Requested, John Sudduth, Acting Director of Information Technology, JS:RB:hp

Recommended, Darlene A. LoCascio, Director of Procurement and Materials Management

Respectfully Submitted, Barbara J. McGowan, Chairman Committee on Procurement
