TRANSMITTAL LETTER FOR BOARD MEETING OF OCTOBER 1, 2015

COMMITTEE ON Procurement

Mr. David St. Pierre, Executive Director

Issue purchase order and enter into an agreement with Hewlett-Packard Company for the purchase of new and replacement computer hardware, in an amount not to exceed \$783,800.00, Account 101-27000-623810 Requisition 1405133

Dear Sir:

Authorization is requested to issue a purchase order and enter into an agreement with Hewlett-Packard Company for the purchase of new and replacement computer hardware. This purchase order will expire on March 31, 2017.

The National Association of State Procurement Officials (NASPO) was formally established on January 29, 1947, in Chicago, Illinois. NASPO is an organization through which the member purchasing officials provide leadership in professional public procurement to attain greater efficiency, economy, and customer satisfaction. The Western States Contracting Alliance (WSCA) was formed in October 1993 by the state purchasing directors from fifteen NASPO western states. WSCA established the means by which participating states may join together in cooperative multi-state contracting; to achieve cost-effective and efficient acquisition of products and services. All governmental entities within WSCA states as well as authorized governmental entities in non-WSCA states are welcome to use the approved agreements. NASPO changed its name to NASPO ValuePoint on April 1, 2015. The current agreement between Hewlett-Packard Company and NASPO ValuePoint was effective April 1, 2015. This contractual agreement is for five years, from 2015 to 2020. Inasmuch as Hewlett-Packard Company's partnership through NASPO ValuePoint for computer hardware and software provides the lowest possible price for equipment and software, nothing would be gained by advertising for bids (Section 11.4 of the Purchasing Act).

Hewlett-Packard Company is registered and in good standing with the State of Illinois.

The Multi-Project Labor Agreement is not applicable due to the specialized nature of the services required.

In view of the foregoing, it is recommended that the Director of Procurement and Materials Management be authorized to issue a purchase order and enter into an agreement with Hewlett-Packard Company in an amount not to exceed \$783,800.00.

Funds for the 2015 expenditure, in the amount of \$175,000.00, are available in Account 101-2700-623810. The estimated expenditure of 2016 is \$458,800.00 and 2017 is \$150,000.00. Funds for the 2016 and 2017 expenditures are contingent on the Board of Commissioners' approval of the District's budget for those years.

Requested, John Sudduth, Director of Information Technology, JS:RP:ML

Recommended, Darlene A. LoCascio, Director of Procurement and Materials Management

Respectfully Submitted, Barbara J. McGowan, Chairman Committee on Procurement
