TRANSMITTAL LETTER FOR BOARD MEETING OF OCTOBER 1, 2015

COMMITTEE ON REAL ESTATE

Mr. David St. Pierre, Executive Director

Authority to issue a five (5) year permit to the City of Blue Island on 3.5 acres of District real estate located at 2125 Fulton Avenue in Blue Island and known as Cal-Sag Channel Parcel 15.09. Consideration shall be \$10.00

Dear Sir:

The City of Blue Island ("Blue Island") has requested a five (5) year permit on District Cal-Sag Channel Parcel 15.09 comprising 3.5 acres located at 2125 Fulton Avenue in Blue Island. Blue Island is proposing to install work zone cameras on existing utility poles on Parcel 15.09 to monitor its nearby road construction project along Division Street. The cameras will be powered by solar panels and placed on existing poles. The site is currently vacant.

The District's technical departments have reviewed Blue Island's request for a five (5) year permit at the subject location and have no objections thereto.

A permit fee of \$10.00 is recommended as such is customary with governmental agencies using District real estate for a public purpose.

It is requested that the Executive Director recommend to the Board of Commissioners that it authorize the issuance of a five (5) year permit to the City of Blue Island on 3.5 acres of District real estate located at 2125 Fulton Avenue in Blue Island and known as Cal-Sag Channel Parcel 15.09. Consideration shall be \$10.00.

It is also requested that the Executive Director recommend to the Board of Commissioners that the Chairman of the Committee on Finance and the Clerk be authorized and directed to execute said permit agreement after

it is approved by the General Counsel as to form and legality.

Requested, Ronald M. Hill, General Counsel, RMH:STM:MM:vp

Recommended, David St. Pierre, Executive Director

Respectfully Submitted, Mariyana T. Spyropoulos, Chairman Committee on Real Estate Development
