TRANSMITTAL LETTER FOR BOARD MEETING OF JANUARY 18, 2018

COMMITTEE ON PROCUREMENT

Mr. David St. Pierre, Executive Director

Authority to award Contract 18-696-11, Services of Tractor Mounted Paddle Aerators and Rotavators with Operators, to Bechstein-Klatt Loading & Shredding, in an amount not to exceed \$5,237,250.00, Account 101-66000-612520, Requisition 1463520

Dear Sir:

On August 31, 2017, the Board of Commissioners authorized the Director of Procurement and Materials Management to advertise for bids, Contract 18-696-11 Services of Tractor Mounted Paddle Aerators and Rotavators with Operators.

In response to a public advertisement of November 29, 2017, a bid opening was held on December 19, 2017. The bid tabulation for this contract is:

BECHSTEIN-KLATT LOADING AND SHREDDING \$5,237,250.00

Six hundred seventy-three (673) companies were notified of this contract being advertised and eleven (11) companies requested specifications.

The Director of Procurement and Materials Management has reviewed the bidders' list for this contract, and is satisfied that the market for this service has been adequately solicited. A planholders' survey revealed the following reason for not bidding: scope of work was not within the services they provide. In light of these findings, the Director of Procurement and Materials Management is of the opinion that the bid received is a fair and reasonable price, and nothing would be gained by rejecting the sole bid and re-advertising this contract.

Bechstein-Klatt Loading & Shredding, the sole bidder, is proposing to perform the contract in accordance with the specifications. The estimated cost for this contract was \$4,800,000.00, placing the bid of \$5,237,250.00 approximately 9.1 percent above the estimate.

The Affirmative Action Ordinance, Revised Appendix D was not included in this contract due to the restricted number of potential bidders.

Bechstein-Klatt Loading & Shredding has executed the Multi-Project Labor Agreement (MPLA) certificate as required. The construction trades anticipated to be utilized on this contract are: operating engineers. The list of construction trades is not intended to confer any rights or jurisdiction upon any union or unions.

The contract will require approximately twelve (12) people for the services.

In view of the foregoing, it is recommended that the Director of Procurement and Materials Management be authorized to award Contract 18-696-11, to Bechstein-Klatt Loading & Shredding, in an amount not to exceed \$5,237,250.00, subject to the contractor furnishing a performance bond in form satisfactory to the Law Department and approved by the Director of Procurement and Materials Management.

The contractor shall commence work after approval of the Contractor's Bond and terminate three years thereafter.

Funds for the 2018 expenditures, in the amount of \$1,600,000.00, are available in Account 101-66000-612520. The estimated expenditures for 2019 and 2020 are \$1,818,625.00 respectively. Funds for the 2019 and 2020 expenditures are contingent on the Board of Commissioners' approval of the District's budget for those years.

Recommended, Darlene A. LoCascio, Director of Procurement and Materials Management, DAL:SEB:cm
Respectfully Submitted, Barbara J. McGowan, Chairman, Committee on Procurement
