### TRANSMITTAL LETTER FOR THE BOARD MEETING OF JULY 12, 2018

#### COMMITTEE ON FINANCE

Mr. John P. Murray, Acting Executive Director

Authority to add Project Furnish and Deliver an All-Terrain Crane to the Stickney Water Reclamation Plant, to the Construction Fund, estimated cost of the project is \$950,000.00

Dear Sir:

Authority is requested to add Project Furnish and Deliver an All-Terrain Crane to the Stickney Water Reclamation Plant, to the Construction Fund, at the request of the Maintenance and Operations Department under the NJPA Purchasing Contract No. 120716-NAF.

The purpose of the project is to furnish and deliver one 60 ton, all-terrain crane to assist the trades District-wide in the lifting of heavy objects and when extended reach is needed while lifting. This crane will replace an existing, mobile, sixteen-year-old crane that has safety and reliability issues, and which has become increasingly costly to repair.

The project consists of furnishing and delivering an all-terrain crane to the Stickney Water Reclamation Plant. The estimated cost of the project is \$950,000.00.

Requested, Brett A. Garelli, Acting Director of Maintenance and Operations, BAP:SO'C:MAG:JR  
Respectfully Submitted, Frank Avila, Chairman Committee on Finance  
Disposition of this agenda item will be documented in the official Regular Board Meeting Minutes of the Board of Commissioners for July 12, 2018
