TRANSMITTAL LETTER FOR BOARD MEETING OF JULY 12, 2018

COMMITTEE ON PROCUREMENT

Mr. John P. Murray, Acting Executive Director

Authorization to make payment to Current Innovation, NFP (*Current*) for the 2018 and 2019 annual membership dues, in an amount not to exceed \$400,000.00, Account 101-15000-612280

Dear Sir:

Authorization is requested to make payment by direct voucher to Current Innovation, NFP (*Current*), in an amount not to exceed \$200,000.00 for annual membership dues in 2018, and \$200,000.00 for annual membership dues in 2019.

Current is a non-profit water entity based in Chicago, Illinois, and was launched in 2016 as a public-private partnership of the City of Chicago, the District and World Business Chicago. *Current* leverages Chicago's world-class utilities, research institutions, industries and innovation community for global environmental and economic impact. Through this collaborative platform, *Current* aims to enhance the efficiency and resiliency of water systems, develop innovative water technology solutions to safeguard clean water and improve wastewater treatment, and raise global awareness of water to increase investment and employment in the water industry. *Current* has developed and is working to thrive on the following three programs: (1) a public/private Research Consortium to engage leading researchers focused on developing innovative solutions to the most pressing water challenges faced by industry and utilities, (2) a network of at least five demonstration sites throughout the region to evaluate, validate and test new water technologies and (3) a connection across public and private entities to connect validated technologies with innovators, investors and customers. Through these programs, *Current* will help the Chicago region catalyze national and global progress toward secure, sustainable, efficient, and resilient water systems. These programs are consistent with the District's strategic business plan, particularly the District's efforts toward resource recovery and nurturing strategic partnerships.

Current is the sole source of supply. Inasmuch as participation in this membership is not available through any other source of supply, nothing would be gained by advertising for bids (Section 11.4 of the Purchasing Act).

It is hereby recommended that the Board of Commissioners authorize payment, by direct voucher, to Current Innovation, NFP (*Current*), in an amount not to exceed \$400,000.00.

Funds for the 2018 expenditure are available in Account 101-15000-612280. Funds for the 2019 expenditure are contingent upon the Board of Commissioners' approval of the District's budget for that year.

Requested, Eileen M. McElligott, Administrative Services Officer, JRM:TG

Recommended, Darlene A. LoCascio, Director of Procurement and Materials Management

Respectfully Submitted, Barbara J. McGowan, Chairman Committee on Procurement
