Dear Sir:

Contract documents and specifications have been prepared for Contract 19-902-31, Rehabilitate One Electric Motor at the Stickney Water Reclamation Plant, at the request of the Maintenance and Operations Department.

The purpose of this contract is for the off-site rehabilitation of one 2,000 horsepower horizontal shaft synchronous pump motor. The District trades will perform all on-site labor to remove and reinstall the motor.

The estimated cost of this contract is \$300,000.00.

The bid deposit for this contract is \$15,000.00.

The Multi-Project Labor Agreement (MPLA) will not be included in this contract because the rehabilitation work will take place at the contractor's facility.

The Affirmative Action Ordinance, Revised Appendix D will not be included in this contract because of the limited availability of participating Minority-owned Business Enterprises and Women-owned Business Enterprises and the specialized nature of the work.

The tentative schedule for this contract is as follows:

Advertise	January 23, 2019
Bid Opening	February 12, 2019
Award	March 7, 2019
Completion	December 31, 2019

Funds for 2019 are being requested in Account 401-50000-645700 and are contingent on the Board of Commissioners' approval of the District's budget for that year.

In view of the foregoing, it is recommended that the Director of Procurement and Materials Management be authorized to advertise Contract 19-902-31.
