Dear Sir:

Contract documents and specifications have been prepared to furnish and deliver one 44" x 80" engine lathe and accessories to the O'Brien Water Reclamation Plant, at the request of the Maintenance and Operations Department.

The purpose of this contract is to furnish and deliver one 44" x 80", heavy-duty, swing over engine lathe and accessories that will be used for day-to-day machining operations at the O'Brien Water Reclamation Plant. The lathe will replace a 40-year-old unit that has reached the end of its useful life because it is no longer capable of producing consistently accurate and reliable parts.

The total estimated cost of the contract is \$170,000.00.

The bid deposit for this contract is \$8,500.00.

The Multi-Project Labor Agreement, and the Affirmative Action Ordinance, Revised Appendix D are not included in this contract because it is a furnish and deliver contract for equipment.

The tentative schedule for this contract is as follows:
