## TRANSMITTAL LETTER FOR BOARD MEETING OF MARCH 7, 2019

## COMMITTEE ON FINANCE

Mr. Brian A. Perkovich, Executive Director

Report on investments purchased during December 2018

Dear Sir:

Attached is a report indicating the investments made in securities and overnight money market funds for the various District Funds during the month of December 2018.

During the month, 128 individual investments were made with a total par value of \$614,250,000.00 at an average annual yield of 2.38%. The interest income to maturity of these investments is \$7,283,670.13.

Additionally, 6 investments were made in Money Market Funds during the month, with a par value of \$78,325.04 at an average annual yield of 2.18%.

The fixed income market is beginning to recover from the exceptionally low investment yields experienced in the last nine years. Investments continue to be made to meet the District's liquidity demands for debt service, payroll, and other operating expenditures, based upon the best yield offered on the date of investment as well as the diversification requirements of the District's Investment Policy. See the last page of the attachment for the average market interest rates offered for purchases during the month.

Respectfully Submitted, Mary Ann Boyle, Treasurer, MAB:st
