### TRANSMITTAL LETTER FOR BOARD MEETING OF NOVEMBER 21, 2019

#### COMMITTEE ON FINANCE

Mr. Brian A. Perkovich, Executive Director

Report on the investment interest income during August 2019

Dear Sir:

Attached is a report of cash investment interest income received by the District for the month of August 2019 and a comparison of income for the same period in 2018.

The District's inventory of investments at August 31, 2019, consisted of 267 items having a total par value of \$877,537,659.26, an average annual yield of 2.185%, and total interest income to maturity of approximately \$9.4 million. Inventory figures at the same date in 2018 were of 210 items having a total par value of \$888,264,723.84, an average annual yield of 2.051%, and total interest income to maturity of approximately \$11.8 million.

Interest Forecast for 2019:

On October 30, 2019, the Federal Reserve decreased the target range for the federal funds rate to 1.50% to 1.75%. This decision was based upon fostering maximum employment and price stability. The Fed is looking to sustain expansion of economic activity, strong labor market conditions, and inflation near the 2 percent objective, but uncertainties about this outlook remain.

Respectfully Submitted, Mary Ann Boyle, Treasurer, MAB:st
