TRANSMITTAL LETTER FOR BOARD MEETING OF NOVEMBER 21, 2019

COMMITTEE ON FINANCE

Mr. Brian A. Perkovich, Executive Director

Report on the investment interest income during September 2019

Dear Sir:

Attached is a report of cash investment interest income received by the District for the month of September 2019 and a comparison of income for the same period in 2018.

The District's inventory of investments at September 30, 2019, consisted of 264 items having a total par value of \$849,226,145.55, an average annual yield of 2.131%, and total interest income to maturity of approximately \$8.6 million. Inventory figures at the same date in 2018 were of 204 items having a total par value of \$850,901,544.86, an average annual yield of 2.076%, and total interest income to maturity of approximately \$11.4 million.

Interest Forecast for 2019:

On October 30, 2019, the Federal Reserve decreased the target range for the federal funds rate to 1.50% to 1.75%. This decision was based upon fostering maximum employment and price stability. The Fed is looking to sustain expansion of economic activity, strong labor market conditions, and inflation near the 2 percent objective, but uncertainties about this outlook remain.

Respectfully Submitted, Mary Ann Boyle, Treasurer, MAB:st
