It is respectfully requested that the Executive Director recommend to the Board of Commissioners that it accept and approve the easement from the Village, to the District in connection with the Tollway Dam, Grout Curtain and Quarry Plugs project.

It is further requested that the Executive Director recommend to the Board of Commissioners that the Chairman of the Committee on Finance and the Director of Finance/Clerk be authorized and directed to execute any and all documents associated with the said easement from the Village, on behalf of the District
