Dear Sir:

The Friends of the Chicago River ("Friends") has requested a 1-day permit to access District land at 14 locations along the North Branch of the Chicago River, North Shore Channel, Main Channel, and Cal-Sag Channel, in Cook County, Illinois for its Annual Chicago River Day Clean-Up Event on May 9, 2015. Prior approvals of the Annual Chicago River Day Clean-Up Event have been granted by the District since 1998.

The 14 locations along the North Branch of the Chicago River, North Shore Channel, Main Channel, and Cal-Sag Channel are generally identified as follows:

1. Skokie Sculpture Park, Main St. to Dempster, Evanston
2. Park No. 538, West Arthur Ave. to West Touhy Ave. Lincolnwood
3. Lincoln Village Shopping Center, North Lincoln Ave./West Hood Ave. to West Devon Ave., Chicago
4. North Side College Prep High School, Chicago
5. River Park, Chicago
6. Ronan Park, Chicago
7. Neighborspace, West Berteau Ave. to West Montrose Ave., Chicago
8. Horner Park, Chicago
9. Clark Park, Chicago
10. Lake Katherine Nature Preserve, Palos Heights
11. Ann Street, Blue Island
12. Evanston Ecology Center, Green Bay Rd. to Emerson St., Evanston
13. California Park, Chicago
14. De Paul College Prep, Chicago

Maps depicting the locations are attached hereto. There are no objections to Friends' request from the technical departments.

As in the past, Friends has requested that the District provide a boat to collect the debris again this year and the Maintenance and Operations Department ("M & O") has no objections to this request. Friends shall notify the District Police when the boat is needed to coordinate with M & O for the pick-up of the debris.

The 1-day clean up event will be conducted by supervised high school students. As in the past, Friends will be

required to provide public liability insurance naming the District as an additional insured. The permit will also require that Friends provide the District with signed releases from all of the participants including signed releases from a parent and/or guardian of a minor participant. Should a parent/guardian not accompany said minor, the permit will require that the minor's release, signed by a parent, must also be signed by the adult supervisor. The permit will also require that Friends obtain the written consent of the private lessees of any leased parcel.

It is requested that the Executive Director recommend to the Board of Commissioners that it authorize and approve the issuance of a 1-day permit to Friends of the Chicago River to access District land at 14 locations along the North Branch of the Chicago River, North Shore Channel, Main Channel, and Cal-Sag Channel, in Cook County, Illinois for its Annual Chicago River Day Clean-Up Event on May 9, 2015. Consideration shall be a nominal fee of \$10.00.

It is also requested that the Executive Director recommend to the Board of Commissioners that the Chairman of the Committee on Finance and the Clerk be authorized and directed to execute said permit agreement after it is approved by the General Counsel as to form and legality.

Requested, Ronald M. Hill, General Counsel, RMH:STM:NPE:vp
