Honorable Maryiana Spyropoulos, President, and Members of the Board of Commissioners

Requesting the advice and consent of the Board of Commissioners to the appointment of John Sudduth as the Director of Information Technology for the Metropolitan Water District of Greater Chicago

Dear Commissioners:

Section 2605/4 of Chapter 70, Illinois Compiled Statutes, states that the Executive Director, with the advice and consent of the Board of Commissioners, shall appoint the Director of Information Technology. I hereby request that the Board of Commissioners give me its advice and consent to the permanent appointment of Mr. John Sudduth as Director of Information Technology.

Mr. Sudduth began working at the District on April 3, 2015 as Assistant Director of Information Technology and assumed the role of Acting Director of Information Technology on May 1, 2015, as described in his attached resume. Mr. Sudduth has developed a plan to realign the Information Technology Department to better support the business units of the District. In 2016, he will be implementing a project management solution to better track Information Technology projects and measure their success.

Upon the consent of the Board of Commissioners, the effective date of the appointment is September 3, 2015.

Requested, David St. Pierre, Executive Director, DStP:dek

Respectfully Submitted, Mariyana Spyropoulos, Chairman Committee on Pension, Human Resources and Civil Service
