It is hereby recommended that the Board of Commissioners authorize the Director of Procurement and Materials Management to increase the cost estimate for Contract 15-914-21 from \$200,000.00 to \$225,000.00, and that the title/transmittal letter and resulting order indicate "Furnish and Deliver Services to Recondition Various Circuit Breakers for the Calumet and Stickney Water Reclamation Plant Areas."

It is further recommended that the description of the contract work be revised from "The purpose of this contract is to recondition eleven breakers at the Central Heat, West Side Pumping Station and Lockport Powerhouse within the Stickney Service Area" to "The purpose of this contract is to recondition eleven breakers at the Central Heat, West Side Pumping Station and Lockport Powerhouse within the Stickney Service Area, and four grounding breakers at the Calumet Switchgear Building."

The bid deposit in the body of the board transmittal letter indicated \$10,000.00 and should now read \$11,000.00.

All other information provided in the transmittal is correct.

Therefore, it is requested that the aforesaid Board Order of September 3, 2015, be amended to effect the change set forth above, otherwise to remain in force and effect as heretofore enacted.
