#### **COMMITTEE ON PROCUREMENT**

Mr. Brian A. Perkovich, Executive Director

Report on rejection of bids for Contract 19-654-11, Furnish and Deliver Parts and Repair Services for Sluice Gate Valve Actuators, estimated cost \$444,000.00

Dear Sir:

On February 21, 2019, the Board of Commissioners authorized the Director of Procurement and Materials Management to advertise for bids Contract 19-654-11, Furnish and Deliver Parts and Repair Services for Sluice Gate Valve Actuators.

In response to a public advertisement of May 8, 2019, a bid opening was held on June 4, 2019. The bid tabulation for this contract is:

CORE MECHANICAL, INC.	\$627,010.00
-----------------------	--------------

Four hundred three (403) companies were notified of this contract being advertised and nineteen (19) companies requested specifications.

A review of the sole bid, submitted by Core Mechanical, Inc., revealed that the bid is approximately 41 percent over the contract estimate. The field service work portion of the contract specifications will be revised to have District trades perform the field service work. Therefore, the bid is rejected in the public's best interest. The Director of Procurement and Materials Management has informed Core Mechanical, Inc., of this action.

The Maintenance and Operations Department will modify the detailed specifications and re-advertise at a later date.

Recommended, Darlene A. LoCascio, Director of Procurement and Materials Management, DAL:SEB:cm  
Respectfully Submitted, Barbara J. McGowan, Chairman Committee on Procurement  
Disposition of this agenda item will be documented in the official Regular Board Meeting Minutes of the Board of Commissioners for August 8, 2019
