### **TRANSMITTAL LETTER FOR BOARD MEETING OF FEBRUARY 4, 2010**

#### COMMITTEE ON FINANCE

Mr. Richard Lanyon, Executive Director

Authority to add Project 09-499-3D, Twin Lakes Reservoir Rehabilitation, North Service Area, to the Engineering Department Capital Improvements Program, the Capital Improvements Bond Fund, and the Corporate Fund, estimated cost of the project is \$5,500,000.00

Dear Sir:

Authority is requested to add Project 09-499-3D, Twin Lakes Reservoir Rehabilitation, North Service Area, to the Engineering Department Capital Improvements Program, the Capital Improvements Bond Fund, and the Corporate Fund.

The purpose of this project is to repair erosion damage to the Twin Lakes Reservoir. This project is required to prevent further erosion of the shoreline of the two lakes and to dredge accumulated sediments from the West Lake.

The project consists of the following:

1. Constructing a new erosion control system to replace damaged erosion control blocks along approximately 2,800 and 1,750 linear feet of the reservoir rim of the East and West Lakes, respectively.
2. Dredging sediments deposited in the West Lake.
3. Excavating, regrading, and placing the rip-rap and bedding along the west side of the West Lake.

The estimated cost of the project is \$5,500,000.00.

Requested, Joseph P. Sobanski, Director of Engineering, TEK:GR

Respectfully Submitted, Gloria Alitto Majewski, Chairman Committee of Finance

Disposition of this agenda item will be documented in the official Regular Board Meeting Minutes of the Board of Commissioners for February 4, 2010
