Re: Settlement of the Workers' Compensation Claim of Curtis Mason vs. MWRDGC, Claim No. 0200005148, Illinois Workers' Compensation Commission (IWCC), in the sum of \$4,546.68. Account 901-30000-601090

Dear Sir:

Curtis Mason is a Maintenance Laborer A at the Stickney Water Reclamation Plant. He sustained a crushing injury to his left thumb on May 16, 2011, while working on a locomotive. Mr. Mason was treated in the emergency room on the date of injury and diagnosed with a Tufts fracture and a subungual hematoma. He was subsequently evaluated by a hand specialist and underwent surgery on May 17, 2011. Mr. Mason returned to work with temporary restrictions on May 24, 2011, and on June 7, 2011, he returned to unrestricted work. He lost one week from work.

Subject to the approval of the IWCC, this Pro Se case can be settled for 9% loss of use of the left thumb in the amount of \$4,546.68. The settlement will also close out any future medical exposure on this claim.

The General Counsel believes this settlement is in the best interests of the District and requests payment of that sum be approved and he be authorized to execute such documents as may be necessary to effect the settlement.

Respectfully submitted,

Ronald M. Hill
General Counsel

Re: Settlement of Property Damage Claim of Meade, Inc.
Claim No. A/P 1292, in the sum of \$6,072.31

Dear Sir:

Meade, Inc., which performs the maintenance contract for IDOT, submitted a claim for damages incurred when it was required to perform emergency repairs, as a result of the District's emergency repairs to the Thornton Pump Station force main on June 10, 2011. During the District's excavation of the roadway, electric wires for the traffic light at the intersection were damaged.

This claim can now be resolved by payment in the amount of \$6,072.31, which represents Meade, Inc's reasonable costs for repair work necessitated by the construction damage.

The General Counsel believes this settlement is in the best interest of the District and requests payment of that sum be approved and he be authorized to execute such documents as may be necessary to effect the settlement.

Respectfully submitted,

Ronald M. Hill
General Counsel
