

TRANSMITTAL LETTER FOR BOARD MEETING OF MARCH 21, 2013

COMMITTEE ON REAL ESTATE

Mr. David St. Pierre, Executive Director

..Title

Adopt Ordinance No. R13-001 Establishing the Right-of-Way for the Construction, Operation and Maintenance of the Tinley Creek Flood Control/Streambank Stabilization Project (TICR-5) between Lake Lorin and 88th Avenue in Orland Hills and Orland Park in parts of Section 22, Township 36 N, Range 12, East of the Third Principal Meridian, Cook County, Illinois

..Body

Dear Sir:

The District proposes to undertake flood control and streambank stabilization measures on Tinley Creek between Lake Lorin and 88th Avenue in Orland Hills and Orland Park, Cook County, Illinois. The proposed work will protect against erosion and reduce flooding risks along that segment of Tinley Creek.

The project location will require temporary easements located along the centerline of Tinley Creek in the Villages of Orland Hills and Orland Park. The acquisition of this right-of-way requires the adoption of an ordinance authorizing the immediate acquisition of the land, which is legally described and depicted in the documents attached hereto.

Accordingly, it is requested that the Executive Director recommend to the Board of Commissioners that it adopt an ordinance declaring the corporate need for the Tinley Creek Flood Control/Streambank Stabilization Project (TICR-5) between Lake Lorin and 88th Avenue in Orland Hills and Orland Park, Cook County, Illinois, and authorize the immediate acquisition of the right-of-way necessary for constructing the project.

It is further requested that the Executive Director recommend to the Board of Commissioners that the Chairman of the Committee on Finance and the Clerk be authorized and directed to execute said Ordinance after same is approved by the General Counsel as to form and legality.

Requested, Ronald M. Hill, General Counsel, Catherine A. O'Connor, Director of Engineering,
