Re: Settlement of Automobile Property Damage Claim of James Thiel
Claim No. A/P 1303 in the sum of \$386.67
D/A: 4-19-13

Dear Sir:

James Thiel, a Plumber who works at the O'Brien Water Reclamation Plant, was sent to the Kirie Water Reclamation Plant on April 19, 2013, on an emergency assignment during heavy flooding. When he was unable to reach the Treatment Plant Operator to open the entrance gate, he proceeded to drive through the open exit gate. At the same time, the exit gate began to close, causing minor damage to Mr. Thiel's personal vehicle.

This claim can now be resolved for \$386.67.

The General Counsel believes this settlement is in the best interest of the District and requests payment of that sum be approved and he be authorized to execute such documents as may be necessary to effect the settlement.

Respectfully submitted,

Ronald M. Hill
