SUBJECT: 24-641-11, Furnishing and Delivering Liquid Carbon Dioxide to the Stickney Water Reclamation Plant

Our review of this contract's detail specifications indicates that this contract should not contain goals for affirmative action participation.

This project with a total estimated cost of \$2,153,500.00 requires the Contractor to furnish, deliver and unload liquid carbon dioxide to the Stickney Water Reclamation Plant. The Affirmative Action Ordinance Revised Appendix D and Appendix V should not be included in this contract because it is a furnish and deliver contract with no subcontractable opportunities.
