SUBJECT: Goal Review for 23-822-11, "Furnish and Deliver One Large
Swing Lathe to the Calumet Water Reclamation Plant."

Our review of this contract and specifications indicates that Affirmative Action goals are not recommended.

This is a contract for the purchase of a single, stand-alone item; (1) large swing lathe with accessories and tooling package. The estimated cost of this contract is \$400,000.00 for a minimum of 3 years.

The review of this contract indicates that the work is not divisible nor are there any subcontracting opportunities available due to the specialized design and manufacture of this type of equipment (Model MB70206).

Therefore, the Affirmative Ordinance Revised Append D and Appendix V are not applicable to this contract.

If you have any questions, please contact Ms. Ouidie Pollard, Diversity Officer, at extension 1-3029.
