

INTEROFFICE MEMORANDUM

METROPOLITAN WATER RECLAMATION DISTRICT
OF GREATER CHICAGO

DEPARTMENT: General Administration
Diversity Section

DATE: June 3, 2021

TO: John Murray, Director of Maintenance and Operations

FROM: Regina D. Berry, Diversity Administrator

SUBJECT: 21-RFP-06 Environmental Attributes Services Provider

Our review of the draft request for proposal indicates that Affirmative Action goals do not apply.

The purpose of this request for proposal is to partner with an environmental attribute service provider possessing the requisite expertise to prepare analysis of the potential value of the uncontracted environmental attributes associated with the District's facilities as well as a detailed plan to capture any such identified value. The successful Proposer would enter into an agreement with the District, wherein it would generate revenue for the District through the sale of the environmental attributes.

Affirmative Action participation goals are applicable to District proposals where the estimated total expenditure is in excess of \$100,000.00. The District's preferred approach under this RFP is to not directly pay for the services. Since there is no direct cost to the District for these services, the Affirmative Action Appendices A and V should not be included.

Should you have any questions, please contact PJ Spencer, Diversity Officer, at extension 1-5876.
