Re: Settlement of the Automobile Property Damage Claim of John Kendall,
Claim No. A/P 1281, in the sum of \$522.67

Dear Sir:

John Kendall, Civil Service Board Chairman, claimed that his vehicle had a scrape on the right bumper after it was parked in the District garage while he attended a Civil Service Board meeting on April 19, 2012. Mr. Kendall stated that he became aware of this scrape after he returned home later that day and that he did not deviate in the trip from the District to his home.

This claim can now be resolved by payment in the amount of \$522.67.

The General Counsel believes this settlement is in the best interest of the District and requests payment of that sum be approved and he be authorized to execute such documents as may be necessary to effect the settlement.

Respectfully submitted,

Ronald M. Hill
General Counsel

Re: Settlement of the Workers' Compensation Claim of James Mitchell vs. MWRDGC,
Case No. 10 WC 13586, Illinois Workers' Compensation Commission (IWCC), in the
sum of \$3,788.90. Account 901-30000-601090

Dear Sir:

James Mitchell is a Laborer Foreman at the Stickney Water Reclamation Plant. On March 15, 2010, while performing his duties, he sustained an injury to his right middle finger.

Mr. Mitchell received emergency room treatment and was given temporary modified duty work with a diagnosis of dislocated right middle finger. He underwent conservative care, which included activity modification, physical therapy, and anti-inflammatory medication. He did not lose any time from work.

Mr. Mitchell filed an Application for Adjustment of Claim with the IWCC through his attorney. Subject to the approval of the IWCC, this claim can now be settled in an amount of \$3,788.90, which represents approximately 15% loss of use of the right middle finger. This would close out any future medical exposure on this claim.

The General Counsel believes this settlement is in the best interests of the District and requests payment of that sum be approved and he be authorized to execute such documents as may be necessary to effect the settlement.

Respectfully submitted,

Ronald M. Hill
