Our review of this contract and specifications indicates that Affirmative Action goals are not recommended. The Affirmative Action Ordinance Revised Appendix D and Appendix V will not be included in this contract.

This project with a total estimated cost of \$1,022,500.00 requires the Contractor to furnish and deliver desulphonated magnesium chloride to the Stickney Water Reclamation Plant, when ordered by the District's Engineer for a twenty-four (24) month period.

In addition, there are no MBE/WBE/SBE/VBE's that can supply the specific items as specified in the contract. The Affirmative Action Ordinance Revised Appendix D and Appendix V are not applicable to this contract due to this being a furnish and deliver contract.
