Dear Sir:

Authority is requested to add project Furnish and Deliver a Stake Body Truck to the Calumet Water Reclamation Plant, to the Construction Fund, at the request of the Maintenance and Operations Department under the NJPA Purchasing Contract No. 120716-NAF.

This project consists of the procurement of a stake body truck to replace an existing vehicle with excessive corrosion that has resulted in the detachment of the body from the frame. The vehicle needing replacement is a 2006 Ford F550 4x4 crew cab, stake body truck, with lift gate, with accumulated mileage of 96,431.
