**SUBJECT: Goal Review of Contract 26-641-11, Furnishing and Delivering
Liquid Carbon Dioxide to the Stickney Water Reclamation Plant**

Our review of this contract indicates that this contract should not contain goals for Affirmative Action participation.

The project, with a total estimated cost of \$1,975,200, requires the Contractor to furnish, deliver and upload liquid carbon dioxide to the Stickney Water Reclamation Plant for a twenty-four (24) month period. The Affirmative Action Ordinance, Revised Appendix D and Appendix V do not apply to this contract because it is a furnish and deliver contract with no subcontractable opportunities.

If you have any questions, please contact Diversity Officer, Reese Peavy, at peavyr@mwrdd.org.
