

A photograph showing the exterior corner of a building. On the left is a wall made of large, light-colored stone blocks. A window with dark green shutters is visible. Below the window is a long, narrow gutter system with a metal mesh screen. To the right of the gutter is a flat roof covered in grey gravel. A concrete curb separates the gutter from the roof. Three text labels with black borders are overlaid on the image: 'Ritz Carlton' points to the stone wall, 'Gutter System' points to the gutter, and 'MOB Roof' points to the gravel roof.
