

INTEROFFICE MEMORANDUM

METROPOLITAN WATER RECLAMATION DISTRICT
OF GREATER CHICAGO

DEPARTMENT: General Administration
Diversity Section

DATE: February 11, 2026

TO: Brian M. Levy, Managing Engineer

FROM: Richard L. Martinez, Jr., Diversity Administrator *Richard L. Martinez, Jr.*

SUBJECT: 26-RFP-04, Environmental Attributes Services Provider

After reviewing this RFP, the Diversity Section has concluded that Affirmative Action goals are not applicable.

The purpose of this RFP is to partner with an environmental attributes service provider who has the required knowledge and experience to provide a detailed analysis of the potential value of uncontracted environmental attributes associated with the District's facilities, together with a plan to capture such identified value. The successful proposer will make an agreement with the District in which the proposer will generate revenue for the District via the sale of environmental attributes.

Affirmative Action participation goals apply to District proposals where the estimated total expenditure is in excess of \$100,000.00. In accordance with this RFP, the District will not be directly paying for the referenced services. Given that there will be no direct cost to the District for the services provided, appendices A and V should not be included.

Should you have questions concerning this review, please contact Fred Fortier, Diversity Officer, at extension 1-4032.
