SUBJECT: **Review for Contract No. 23-838-11, Furnish and Deliver One Sludge Thickening Centrifuge to the Calumet Water Reclamation Plant**

The District is seeking a contractor to furnish and deliver one (1) new Trailer-Mounted Sludge Thickening Centrifuge Unit, complete with automatic hydraulic back drive and necessary appurtenances, to the Calumet Water Reclamation Plant. The total cost for this contract is \$995,000.00.

Our review of this contract indicates that subcontracting opportunities are not available because the requested work is not divisible. Moreover, a review of the MBE/WBE/VBE firms in SAP only yielded 1 response. Therefore, the Affirmative Action Ordinance Revised Appendix D and the Appendix V should not be included.

If you have any questions, please contact Diversity Officer, Jason H. Bullock, at extension 14038.
