

INTEROFFICE MEMORANDUM
METROPOLITAN WATER RECLAMATION DISTRICT OF GREATER CHICAGO

DEPARTMENT: General Administration
Diversity Section

DATE: July 21, 2023

TO: John P. Murray, Director of Maintenance and Operations

FROM: Richard L. Martinez, Jr., Acting Diversity Administrator *RLM GHB*

SUBJECT: **Goal Review of Contract 23-621-11 – Rehabilitation of Raw Sewage Pump Rotating Assemblies at Various Locations – Group A**

Our review of this contract and specifications indicates that Affirmative Action goals are not recommended. The Affirmative Action Ordinance Revised Appendix D and Appendix V will not be included in this contract.

This project with a total estimated cost of \$3,118,350.00 requires the contractor to provide all labor, insurance, expertise, supervision, materials, tools, transportation, and equipment necessary to rehabilitate raw sewage pump rotating assemblies and rebabbit bearing sets and individual bearings at various locations and to reassemble a 66-inch gate valve.

In accordance with the contract specifications, *“The contractor shall be regularly engaged in rehabilitating large main sewage pump rotating assemblies, with equal or larger pumping capacities, and shall have been so engaged for a documented minimum of three (3) years.”*

In addition, all work will be conducted off-site as outlined in the contract specification, *“After picking-up the pump rotating assembly from the site the Contractor shall disassemble the entire rotating assembly at the Contractor’s shop.”*

There are no M/W/VBE firms available that can perform the scope of work as identified in the detail specifications. Therefore, the Affirmative Action Ordinance Revised Appendix D and Appendix V should not be included.

If you have any questions, please contact Malisa Torres, Diversity Officer at extension 15711.

DATE: August 11, 2023

TO: John P. Murray, Director of Maintenance and Operations

FROM: Richard L. Martinez, Jr., Acting Diversity Administrator 

SUBJECT: Revised - Goal Review of Contract 23-621-11 – Rehabilitation of Raw Sewage Pump Rotating Assemblies at Various Locations – Group C

Our review of this contract and specifications indicates that Affirmative Action goals are not recommended. The Affirmative Action Ordinance Revised Appendix D and Appendix V will not be included in this contract.

The original estimate has been revised and updated by the using department. This project with the revised total estimated cost of \$176,250.00 requires the contractor to provide all labor, insurance, expertise, supervision, materials, tools, transportation, and equipment necessary to rehabilitate raw sewage pump rotating assemblies and rebabbit bearing sets and individual bearings at various locations and to reassemble a 66-inch gate valve.

In accordance with the contract specifications, *"The contractor shall be regularly engaged in rehabilitating large main sewage pump rotating assemblies, with equal or larger pumping capacities, and shall have been so engaged for a documented minimum of three (3) years."*

In addition, all work will be conducted off-site as outlined in the contract specification, *"After picking-up the pump rotating assembly from the site the Contractor shall disassemble the entire rotating assembly at the Contractor's shop."*

There are no M/W/VBE firms available that can perform the scope of work as identified in the detail specifications. Therefore, the Affirmative Action Ordinance Revised Appendix D and Appendix V should not be included.
