

**INTEROFFICE MEMORANDUM
METROPOLITAN WATER RECLAMATION DISTRICT OF GREATER CHICAGO**

DEPARTMENT: General Administration,
Diversity Section

DATE: March 31, 2026

TO: Pinakin Desai, Acting Director of Maintenance and Operations
FROM: Richard L. Martinez, Jr., Diversity Administrator *Richard L. Martinez, Jr.*
SUBJECT: Goal Review of Contract 26-805-11, "Furnish and Deliver Storage Tanks to the Calumet Water Reclamation Plant"

The Diversity Section has completed its review of Contract 26-805-11, Furnish and Deliver Storage Tanks to the Calumet Water Reclamation Plant.

Based on our review of the associated detailed specifications and engineer's cost estimate, it has been determined that this contract should not include participation goals for affirmative action.

This procurement is strictly for the furnishing and delivery of storage tanks and does not include a labor component. Additionally, the scope of work does not present any viable subcontracting opportunities that would support the inclusion of participation goals. The budgeted contract value is \$435,000.00.

Accordingly, the Diversity Section finds that MBE, WBE, or VBE participation goals are not appropriate for this contract. Therefore, Appendix D and Appendix V should not be included.

If you have any questions regarding this determination, please contact Ayanna Walker, Diversity Officer, at walkeral@mwr.org.
