<b>Project Number</b>	19-083-3P
<b>Service Area</b>	North
<b>Location</b>	Wilmette Lift Station
<b>Engineering Consultant</b>	In-house design
<b>Engineering Contractor</b>	To be determined
<b>Estimated Construction Cost</b>	\$1,500,000
<b>Contract Award Date</b>	December 2023
<b>Substantial Completion Date</b>	October 2024
<b>Project Description</b>	This project entails the installation of duplex pumps and the rehabilitation and/or rebuilding of the existing 20.5-foot by 12-foot by 18-foot underground structure.
<b>Project Justification</b>	During maintenance and repairs of the existing pump, flow is diverted to TARP. An additional pump is needed to provide continuous operation. The existing underground structure was built in 1937, and the concrete is in poor condition.
<b>Project Status</b>	Design
