
SEPA 3 Paver Walkway Improvement

Project Number 25-635-21

Service Area Calumet

Location Blue Island, Illinois

Engineering Consultant In-house design

Engineering Contractor To be determined

Estimated Construction Cost \$200,000

Contract Award Date September 2025

Substantial Completion Date December 2025

Project Description This project includes removing, salvaging, re-leveling, and re-installing existing walkway pavers at Sidestream Elevated Pool Aeration Station No. 3

Project Justification Area residents find it challenging to traverse the existing paver walkways around and through Sidestream Elevated Pool Aeration Station No. 3 due to the uneven surface caused by tree roots and failing base material.
