

INTEROFFICE MEMORANDUM
METROPOLITAN WATER RECLAMATION DISTRICT OF GREATER CHICAGO

DEPARTMENT: General Administration,
Diversity Section

DATE: December 16, 2024

TO: John P. Murray, Director of Maintenance and Operations

FROM: Richard L. Martinez, Jr., Acting Diversity Administrator *RLM/PCS*

SUBJECT: **Goal Review for Contract 24-988-11, Specialty Railroad Grade Crossing Signal System Services in the Stickney Service Area**

The Diversity Section has evaluated the subject contract for affirmative action goals. The total estimated cost is \$946,843. We reviewed the scope of work, estimate, specifications, and the District's MBE/WBE/VBE database. Due to the lack of available firms with 49 CFR Part 214 training and the ability to conduct FRA inspections and testing, we conclude that affirmative action goals are not recommended for this contract. Therefore, Appendix D and Appendix V should not be included.

If you have any questions, please contact Diversity Officer, Desirée Foster, at extension 14036.
